GENERAL AND REVENUE SECRETARIAT

Serial Nos 1x2

Part B for April, 1912

SUBJECT

Proposals for opening special classes for training teachers in the general subjects of geography, arithmetic, Object lessons etc

From the 9.46 of Edn, No 6272/4345 3 2 12 Recommends that arrangements may be made for holding normal classes in Bangalore & Mysore for about 6 weeks during the vacation for the purpose of training teachers in the general subjects of geography, arithmetic etc at a cost of Rs 2,500/- per annum

To Do & Comptroller, No 7357-65 6 4 12 Sanctions the above proposal being tried this year as an experiment on certain conditions and calls for a report, if the experiment is tried, with a view to consider whether it may not be extended to the next year, and also that when remuneration is paid as proposed the teachers will not be entitled to privilege leave on full pay later

BRIEF ABSTRACT OF LETTER

Recommends that arrangements may be made for holding normal ~~and~~ classes in two centres viz Bangalore & Mysore, for about 6 weeks during the vacation, for the purpose of training teachers in the General Subjects of Geography, Arithmetic, object lessons etc - at a cost of Rs 2500 per annum.

NOTES AND ORDERS

Submitted for orders with references

2 The Dy proposes to hold normal training classes this year also in April 1912 and suggests that the cost may be met from savings in the Dy's pay

4 Allowing the teachers who are engaged in this work during the vacation, to claim privilege leave is not a satisfactory arrangement as it is likely to cause much dislocation of the ~~regular~~ work in the school during the regular working season. The idea of giving them remuneration for their extra work is more satisfactory. The scheme suggested by the Df is likely to be productive of good results and may be approved. To Br II for remarks.

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

Bangalore 3rd February 1912

4490

10/10/12
CC- Edu
CLERICAL NO 236

From

The Inspector General of Education in Mysore

To

C S Balasundarar Iyer Esq , F A ,

Offg Secretary to the Government of H F the Maharaja

of Mysore General and Revenue Departments Bangalore

SIR

I have the honour to inform you that Normal Classes for training teachers in card board and paper folding are held every year ~~year~~ for 3 weeks during the vacation in all District Head quarters as well as in some Taluk Stations Teachers from surrounding Anglo-Vernacular and Village Elementary Schools are selected (about 30 in number for each) by the Inspectors of Schools and are trained in these classes

2 Training in Arithmetic Geography, object Lessons, Narration of stories, Drawing and Modelling Kindergarten and Nature study is given in the Normal Schools of the State from 1907 For the benefit of teachers who received their training previous to this year special vacation classes also used to be held in the Normal School, Mysore These were, however, not held last year

3 It is highly desirable that occasional vacation lectures in the above subjects should be arranged for in one or two more places other than Mysore, Kolar and Shimoga. Now the lecturers and masters selected for training are not given any extra remuneration, but they are allowed to take privilege leave on full pay for the period equal to that during which they work in the Normal Classes during the vacation in accordance with Government Order No 7047-8/Edn 200-09-2 of 14th February 1910. This arrangement entails considerable dislocation of work. Besides it is hard upon poor masters to have to maintain two establishments even for 6 weeks, without additional emoluments. To secure good lecturers and provide them enthusiastic pupils some remuneration seems very desirable. To begin with it is worth arranging for 2 centres of 60 each in Bangalore and Mysore for teachers trained before 1907 and untrained in the general subjects of Geography, Arithmetic, object lessons and Narration of stories etc. About four ~~ccc~~ lecturers ~~and~~ will be required for each centre.

4 The following scale of ~~ccc~~ remuneration to lecturers and Masters is proposed with a view to stimulating preparation in the teachers and for making it possible to secure a good selection of teachers to be trained --

Lecturers at Rs 75/- all expenses included

Stipendiaries at Rs 15/- do

Each centre will cost putting down the maximum of

-3-

4 lecturers	Rs 300
60 Stipendiaries	Rs 900
Contingencies etc	Rs 100

	Rs 1,300

or for both the Centres Rs 2,600/- or say about Rs 2,500/-

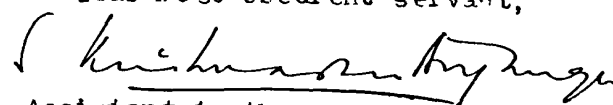

5 I request that Government be pleased to sanction the above proposed and include Rs 2,500 in the next year's budget It is also considered desirable to give effect to the scheme in April next Since there are no funds available in the current year's budget to meet the expenditure, it is proposed that it may be met out of the savings in the pay of the Inspector General in the current year's budget

6 I request that you will be so good as to obtain very early orders of Government as there is not much time to make the arrangements for the vacation classes

I have the honour to be

S i r,

Your most obedient servant,

Assistant to the Inspector General

of Education,

For Inspector General

over

SUBJECT

The Inspector General states that it is desirable to hold ~~special~~ ^{special} classes in Bangalore and Mysore for about 6 weeks during the ^{summer} vacation for the purpose of training teachers in the general subjects of Geography, Arithmetic, Object-lesson and ~~that~~.

The lecturers, and masters selected in the Normal Schools in previous years for training, ^{were} ~~not~~ given any extra remuneration but ~~were~~ ^{were} allowed to take privilege leave on full pay for the period equal to that during which they worked in the Normal classes, ^{and this} ~~which~~ ^{generally} ~~and that this~~ entailed a considerable dislocation of work. He therefore ~~proposes~~ ^{proposes} that the marginally noted scale of remunerations, ^{may be sanctioned to be paid to the} ~~and~~ recommends the inclusion of the amount in the next year's budget, ~~and proposes to meet~~ ^{being proposed to be met} during the current year from savings in the pay of the I G. —

* 4 lecturers @ 75/- Rs 300
 60 stipendiaries @ 15/- Rs 900
 Contingencies etc Rs 100
 Total Rs 1300
 for each cent
 Or roughly Rs 2500 for both centres

2 Govt approve of the proposal being tried as an experiment this year, and observe that if however it is too late and if the experiment is likely to fail for want of timely and adequate preparation it had better not be tried at all, and that if it be tried a special report may be sent up with a view to —
